ABOUT CLEANSITE INFRA SERVICES

CleanSite Infra Services is a professionally managed sanitation and infrastructure support company specializing in portable sanitation solutions, hygiene services, and waste management systems. We provide reliable, hygienic, and cost-effective sanitation products and services for construction sites, infrastructure projects, public utilities, events, industrial areas, and labour camps.

VISION & MISSION

Our vision and mission guide our daily operations, decisions, and commitment to quality service.

ABOUT US

Our focus is on maintaining high standards of cleanliness, safety, environmental responsibility, and customer satisfaction, while delivering timely and efficient service support.

OUR MISSION

To provide high-quality sanitation products with disciplined cleaning and maintenance services, ensuring public health, environmental safety, and long-term customer trust.

OUR VISION

To promote cleanliness, hygiene, and dignity by delivering modern sanitation and waste management solutions across urban, semi-urban, and rural areas.

CONSTRUCTION SITE SANITATION SOLUTIONS

CleanSite Infra Services provides efficient and hygienic sanitation solutions for **construction sites and labour-intensive projects**. Installing portable sanitation units on-site helps maintain cleanliness, improves workforce productivity, and ensures a healthier working environment.

Our solutions are designed specifically for **migrant labour camps, long-duration construction projects, and infrastructure sites**, where accessibility, durability, and regular maintenance are critical.

Key Benefits of On-Site Sanitation

- ✓ Reduces unproductive time spent off-site
- ✓ Improves worker health & hygiene standards
- ✓ Enhances overall site efficiency
- ✓ Supports regulatory and safety compliance

EVENT SANITATION SERVICES

CleanSite Infra Services is a trusted sanitation partner for events, exhibitions, and **large public gatherings**. We offer flexible portable sanitation solutions designed to meet varying crowd sizes, durations, and venue requirements.

Our **event-focused** sanitation planning ensures **convenience, hygiene, and a positive experience** for attendees.

- ✓ Wedding Functions
- ✓ Sports Events
- ✓ Music Concerts
- ✓ Exhibitions & Trade Fairs
- ✓ Social & Religious Gatherings

OUR LATEST EVENTS GALLERY

CleanSite Infra Services has successfully delivered professional sanitation solutions across large-scale religious, cultural, and entertainment events. Below are some of our recent and notable event projects.

Khatu Shyam Fagun Mela (Rajasthan)

CleanSite Infra Services provided large-scale portable sanitation units and regular maintenance services during the Khatu Shyam Fagun Mela, ensuring hygiene and convenience for thousands of devotees throughout the event.

Shree Swaminarayan Vadtal Dham (Gujarat)

We delivered organized and hygienic sanitation facilities for religious gatherings at Shree Swaminarayan Vadtal Dham, supporting smooth event operations and a clean environment for devotees.

Shree Swaminarayan – **Pan India Events**

CleanSite Infra Services has successfully supported multiple Swaminarayan events across India, offering reliable sanitation infrastructure, on-time servicing, and disciplined hygiene management.

Saregama Events (GIFT City)

For Saregama cultural and entertainment events at GIFT City, we provided premium portable toilets and on-site sanitation management to match high-footfall and professional event standards.

Diljit Dosanjh Concert (GIFT City)

Diljit Dosanjh Concert (GIFT City)

Event sanitation layouts and service deployment may vary based on crowd size, duration, and site conditions.

THANK YOU

At CleanSite Infra Services, we look forward to creating a cleaner, safer, and more sustainable future through reliable sanitation solutions. We sincerely thank our clients and partners for the opportunity and trust placed in us, and we welcome continued support and collaboration as we grow together.
